

**MILLIKEN CHEMICAL**

# Responsible Care<sup>®</sup> Policy

---

Milliken Chemical believes that the integrity and sustainability of its operations will be achieved through:

- Environmental Health and Safety Excellence
- Implementation of the Environmental and Safety Policies
- Commitment to the Guiding Principles of Responsible Care<sup>®</sup>
- Commitment to our Stakeholders
- Involvement in the community
- Stewardship of our products
- Security of our operations

We will strive for continuous improvement in each of these elements.
